Overview
The art and design industry captures the creative individual. Earn an associate degree in fine arts and cultivate your artistic skills as a painter, sculptor, printmaker or general fine artist. Artists make careers everywhere that visual expression, flexible thinking, and communication skills are in demand.

Fine Arts Degree
ASSOCIATE OF FINE ARTS DEGREE
Our two-year Associate of Fine Arts degree program in the fine arts prepares students for entry into the workforce or for transfer to four-year institutions. General education and fine arts courses make up all or most of the curriculum.

Transfer Options
The Associate of Fine Arts degree transfers into a number of senior institutions that include the Herron School of Art and the School of Informatics at Indiana University - Purdue University at Indianapolis, Indiana State University, and Saint Mary of the Woods in Terre Haute.

Sample Studio Electives
Students are required to complete elective credits which may include drawing, sculpture, painting, printmaking (intaglio, silkscreen, and relief & monotype), papermaking, ceramics, and computer graphics.

Theatre and Dance Electives
Theatre and dance courses are offered, and count toward the Ivy Tech Fine Arts degree. For more information about courses offered, visit ivytech.edu/fine-arts and click "Bloomington."

Careers in Fine Arts
Potential careers for Associate of Fine Arts degree holders include painter, sculptor, art therapist, art teacher, or art historian.

Students in Ivy Tech - Bloomington’s Fine Arts program not only benefit from Bloomington’s vibrant arts community, but also enjoy use of the Ivy Tech John Waldron Arts Center.

The Ivy Tech Waldron houses a unique blend of artists, performers, and educators. At the Ivy Tech Waldron, students can see a play, catch a concert, cruise multiple art galleries, and take art classes.
