Physical Examination with two (2) TB tests     $ Varies

Information on all of the above fees will be given at the course orientation.
* Tuition per credit hour subject to change for fall courses

The Nurse Aide course is a five-credit, seven-week course that meets Monday and Wednesday evening and during the day on Saturday for the first five weeks of the course. The course meets on Monday, Wednesday, and Thursday evening and during the day on Saturday the last two weeks of the seven-week course.

I am taking names of students who might be interested in enrolling for the spring or summer 2009 courses. I will be mailing a letter in the late fall to all students who are interested in the spring or summer courses and who have submitted their name, phone number, and mailing address to me.

You can do this by e-mailing me the information, or by calling and leaving the information on my voice mail at 330-6121. A letter will be sent in the fall and will include the date of an orientation session for the C.N.A. Preparation courses. This meeting is mandatory to attend if you want to enroll in the spring or summer 2009 courses.

Please keep in mind that this course enrollment is first come, first served as you call and have your name added to the list.
