Internal Resources:

Career Services

The Office of Career Services provides assistance to students and alumni seeking jobs and assistance to employers who are seeking to hire Ivy Tech's well-educated, highly qualified individuals. The Office of Career Services actively supports students and alumni in identifying potential employment and also supports employers in connecting with talented individuals to fill their positions.

Counseling and Outreach

The Office of Student Support and Development, and the Indiana University Center for Human Growth, are proud to host the Counseling and Outreach Program. This program provides services to Ivy Tech students in the form of individual counseling and personal growth groups. All counseling is provided on a confidential basis. Individual sessions are typically scheduled once a week and last 50 minutes. Group sessions last 90 minutes one evening per week through the academic year. Click here for a referral form:

Disability Services

Our staff seeks to ensure that all people receive the opportunity to be Ivy Tech Community College of Bloomington students. We believe our college is enriched by the contributions of our students. Support and assistance may be provided for any new and returning student contacting us. Additionally, we provide accommodations for persons with documented disabilities in accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.

Peer Mentoring

The Peer Mentor program links new students with returning students. Returning students help new students learn their way around Ivy Tech and find ways to get involved on campus. The Peer Mentor program is open to all students, anytime during the semester.

Retention

The Student Retention Office provides students with the programs and services which will assist them in the completion of their educational goals.

If you are having issues with your classes and need assistance in determining how to continue on with your educational goal, stop by the Student Retention Office.

Student Life

Ivy Tech Community College provides a wide variety of exciting options for students who want a college experience that takes them beyond the classroom. Our campuses offer extracurricular activities as well as social and academic clubs, giving students a great opportunity to meet new people who share their interests and goals. Whether it’s just relaxing on campus or finding a place in student government, there’s always something new waiting for our students.
